

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

United States of America,

Plaintiff

V.

Adilene Coronel,

Defendant

Case No. 2:21-cr-00283-CDS-EJY-2

Ordering Granting Motion for Reconsideration and Reinstating Motion for Sentence Reduction

[ECF Nos. 103, 107]

10 On January 26, 2024, Assistant Federal Public Defender Madeline Lal filed a motion on
11 behalf of defendant Adilene Coronel asking the court to reconsider its order striking Coronel's
12 pro se motion for a sentence reduction. ECF No. 107. With good cause appearing, and because
13 the court entered the order in error (in light of Amended General Order 2023-09), the motion
14 for reconsideration [ECF No. 107] is GRANTED.

15 The court rescinds its January 10, 2024 order (ECF No. 104) denying Coronel's motion. It
16 is ordered that Coronel's motion for sentence reduction [ECF No. 103] is hereby REINSTATED
17 and STAYED until February 1, 2024.

18 I further order that the Federal Public Defender is presumptively appointed to represent
19 Coronel for the purposes of this motion for sentence reduction and shall screen that motion as
20 described in Amended General Order 2023-09. 

DATED: January 26, 2024

Cristina D. Silva
United States District Judge
